

THE TRANSLATING RESEARCH INTO PRACTICE (TRIP) FELLOWSHIPS: “Building capacity and leadership for guideline implementation in Australia”

Dr Wee-Ming Boon

Ms Rosie Forster

Professor John McCallum

National Health and Medical Research Council (NHMRC)

Australia's peak body for:

- Supporting health and medical research
- Developing health advice for the Australian community, health professionals and governments; and
- Providing advice on ethical behaviour in health care and in the conduct of health and medical research.

National Health and Medical Research Council The Virtuous Cycle

NATIONAL INSTITUTE OF CLINICAL STUDIES

Translating Research Into Practice (TRIP) Fellowships

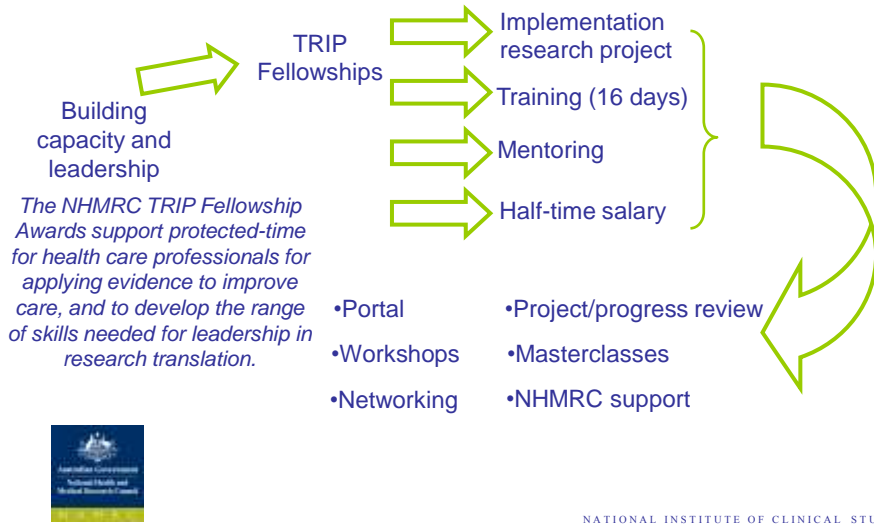

“All Australians benefit from the outcomes of health and medical research, particularly when that research is translated into improved primary and hospital care, aged care, or better preventative health strategies”

(The Honourable Nicola Roxon MP, Minister for Health and Ageing, April 2010, NHMRC Strategic Plan 2010–2012).

NATIONAL INSTITUTE OF CLINICAL STUDIES
