FINAL CULMINATING SESSION TO CONSOLIDATE ONGOING COLLABORATION AND ENGAGEMENT

E-GAPPS III will conclude with a special final session on the afternoon of Day Two in which open discussion of the crucial importance and also challenges inherent in collaboration across constituencies and stakeholder groups will take place. During the final breakout sessions commitments for ongoing collaboration and engagement between conference attendees and their organizations will be consolidated. These commitments will be tracked prospectively as part of the E-GAPPS project design.
