	12:00-1:00pm	<i>BREAK: Lunch and Networking Interlude</i>
Session IV	1:00-4:30pm	FINAL CONFERENCE SESSION <i>The final conference segment will be a semi-structured session conforming to a semi-structured 'open space', or 'un-conference' design. All conference attendees, including plenary and breakout participants in the earlier segments, will take part. The session will begin in a large open meeting area and discussion will incorporate ideas and issues raised by attendees via social media and using a conveniently located 'sticky board' during the conference. Breakout rooms will be available for separate conferencing at the discretion of groups of participants. The principal objective of this session will be to consolidate commitments for new collaborations and engagement relationships in a form that can be followed and verified during the conference aftermath.</i>
	4:30pm	ADJOURN
