

**G-I-N North America is pleased to promote an exciting educational opportunity to its guideline community:**

## **MacGRADE** GUIDELINE DEVELOPMENT WORKSHOP

Hamilton, Ontario | April 9-11, 2018

This workshop will cover how to:

- determine the guideline scope and questions
- assess the certainty of evidence using GRADE
- present the evidence to guideline groups
- make recommendations based on the Evidence to Decision Framework
- assess guideline quality using AGREE II
