

## G-I-N 2018 Annual Conference Programme (11<sup>th</sup> – 14<sup>th</sup> September)

### Tuesday 11<sup>th</sup> September

07:00 am – 02:00 pm	<b>Pre-conference Courses Registration</b>
08:00 am – 12:30 pm	<b>Course 8 Part 1: Using the GRADE approach to assess the certainty of evidence in Guideline Development</b>
08:30 am – 12:30 pm	<b>Course 2: Developing Guidelines for Rare Diseases: Balancing Rigour and Pragmatism</b>
09:00 am – 12:00 pm	<b>Course 1: The Use of Core Outcome Sets to Inform Guideline Development</b>
09:00 am – 12:00 pm	<b>Course 5: Using Shared Decision Making to Achieve the Purpose and Impact of Guidelines</b>
09:00 am – 04:00 pm	<b>Course 3: Introduction to Evidence for Guidelines</b>
09:00 am – 04:00 pm	<b>Course 7: A Course on Barrier Identification &amp; Solution to Address Guideline Implementation Challenges</b>
12:00 pm – 01:30 pm	<b>Networking Lunch</b>
01:00 pm – 05:00 pm	<b>Course 6: Re-defining Guideline Adaptation and Implementation: beyond development, generating a case for facilitation and pre-planned implementation</b>
01:15 pm – 05:15 pm	<b>Course 8 part 2: Using the GRADE approach to assess the certainty of evidence in Guideline Development</b>
01:30 pm – 04:30 pm	<b>Course 4: Introduction to Diagnostic Test Accuracy Studies</b>
02:00 pm – 05:00 pm	<b>Main Conference Registration</b>
05:30 pm – 06:30 pm	<b>Annual General Meeting</b> G-I-N members only closed meeting
07:00 pm – 09:00 pm	<b>Welcome Reception</b> The welcome reception will be held at Manchester's Museum of Science and Industry. The museum sits in the heart of Manchester, the world's first industrial city. It is devoted to the development of science, technology and industry and is located on the site of the oldest passenger railway station in the world. The welcome reception will provide a unique opportunity to network with fellow delegates and to meet-and-greet members of the G-I-N working groups.

Wednesday 12<sup>th</sup> September

07:00 am – 06:00 pm	<b>Registration</b>
07:30 am – 06:00 pm	<b>Exhibition &amp; Posters</b>
07:30 am – 08:30 am	<b>Fringe Meetings:</b>
	GINAHTA Working Group
	G-I-N Iberoamerica Regional Community
	G-I-N Nordic Regional Community
	Scientific Committee (2019) – Closed meeting
08:45 am – 09:10 am	<b>Welcome</b> Welcome from G-I-N and local host organisations NMC Award Presentation
09:10 am – 10:30 am	<b>Opening Plenary - Once upon a guideline: the story of developing an evidence eco-system</b> Chaired by Sir Andrew Dillon & Corinna Schaefer  History of guidelines and why we need them: <i>Dr Fergus Macbeth</i> Progress in evidence-based medicine: a quarter century on – focussing on the role of guidelines in EBM: <i>Professor Gordon Guyatt</i> Current challenges and solutions, developing guidelines within the evidence ecosystem: <i>Linn Brandt</i> From review to delivery - embedding the voice of the service user in our work: <i>Jonathan Senker</i>
10:30 am – 11:00 am	<b>Morning Refreshment Break</b>
11:00 am – 12:30 pm	<b>Workshop 1a (advanced booking)</b> Running a successful network to support methodologists and guideline developers: sharing experiences from UK evidence synthesis networks <i>Judith Thornton</i>
11:00 am – 12:30 pm	<b>Workshop 1b (advanced booking)</b> Building a guideline that meets the highest standards: breaking it down to what you need to know and do <i>Karen Schoelles</i>
11:00 am – 12:30 pm	<b>Panel Session 1</b> Transitioning to value-based care through system-level, evidence-based guidelines <i>Elizabeth Crabtree</i>
11:00 am – 12:30 pm	<b>Oral Session A: Indicators</b> Associations between guideline quality indicators and guideline characteristics: <i>Sarah Cunningham</i> Checking the checkboxes – Development of criteria & methodology for evaluation of appropriateness of clinical quality measures: <i>Alan Drabkin</i> International insights into the development of guideline-based quality indicators. Results from a qualitative study: <i>Monika Nothacker</i>

11:00 am – 12:30 pm	<p><b>Oral session B: Rapid guideline development</b></p> <p>Guideline Development Checklist extension for rapid guidelines: <i>Rebecca Morgan</i></p> <p>Accelerated Guideline Development Working Group: developing the AGD methods and assessment: <i>Sophie Blanchard-Musset</i></p> <p>Increasing speed while maintaining guideline quality: fact or fiction? – Developing Primary Care Rapid Recommendations: <i>Ton Kuijpers</i></p>
11:00 am – 12:30 pm	<p><b>Oral session C: Alternative evidence</b></p> <p>Global Evidence Ecosystem for Oral Health: From new evidence to systematic reviews, trustworthy, recommendations and decision aids changing practice: <i>Tanya Walsh</i></p> <p>Structured comparison of Clinical Practice Guidelines via Clinical Decision Trees using Population Based Registry Data, applied to Non-Muscle Invasive Bladder Cancer: <i>Kees Ebben</i></p> <p>Consensus recommendations in the absence of good evidence: understanding the spectrum in NICE guidelines: <i>Patrick Langford</i></p>
11:00 am – 12:30 pm	<p><b>Special session D: Perspectives from Africa</b></p> <p>GIN Communities: Which way forward for African communities? <i>Irene Maweu</i></p> <p>Evidence Implementation in Performance Based Financing: A Missed Opportunity: <i>Patrick Okwen</i></p> <p>Scoping review of priority communicable, maternal and child health diseases in the West African region: <i>TBC</i></p>
12:30 pm – 02:30 pm	<b>Lunch Break</b>
12:30 pm – 01:25 pm	<p><b>Fringe Meeting</b></p> <p>Talking G-I-N (WG &amp; RC Chairs – policy &amp; leadership discussion)</p>
01:30 pm – 02:25 pm	<p><b>Fringe Meetings</b></p> <p>Accelerated Guideline Development Working Group</p> <p>Updating Guidelines Working Group</p> <p>Overdiagnosis Working Group</p> <p>AID Knowledge Working Group</p> <p>G-I-N Asia Regional Community</p>
02:30 pm – 04:00 pm	<p><b>Plenary Session 1 - Guidelines: Does cost matter?</b></p> <p>Chaired by Dr Ina Kopp and Dr Amir Qaseem</p> <p>International perspectives on how to develop guidelines with cost in mind: <i>Dr Hector E Castro, Professor Joanne Lord, Patrick Okwen, Doug Owens</i></p>
04:00 pm – 04:30 pm	<b>Afternoon Refreshment Break</b>
04:30 pm – 06:00 pm	<p><b>Workshop 2a (advanced booking)</b></p> <p>Why we do what we do and how we can do it better: strengthening synergy between guideline and HTA communities <i>Brian O'Rourke</i></p>
04:30 pm – 06:00 pm	<p><b>Workshop 2b (advanced booking)</b></p> <p>How to convert your guideline into useful information for patients and the public <i>Nancy Santesso</i></p>

04:30 pm – 06:00 pm	<p><b>Panel Session 2</b> Enhancing trustworthiness of Choosing Wisely Recommendations and knowledge transfer – international approaches <i>Ina Kopp</i></p>
04:30 pm – 06:00 pm	<p><b>Oral Session E</b> Contribution analysis and understanding impact: Do your guidelines make a difference? <i>Megan Lanigan</i> You say, we do: NICE response to users' needs of implementing its guidance: <i>Xia Li</i> Clinician Perspectives, Context and Costs Influence Implementation of Guideline Recommendations in Cardiology in the United States and Canada: <i>Veena Manja</i></p>
04:30 pm – 06:00 pm	<p><b>Oral session F: GRADE &amp; grading evidence</b> How can we integrate GRADE and a formal consensus method into an international guideline project? The example of an international consensus conference on patient blood management: <i>Hans Van Remoorthel</i> Confidence in recommendations based on Network Meta-Analysis: threshold analysis as an alternative to GRADE, United Kingdom: <i>David Philippo</i> Adapting GRADE for diagnostic test accuracy studies: lessons from the 2018 NICE Dementia guideline update: <i>Marie Harrisingh</i></p>
04:30 pm – 06:00 pm	<p><b>Oral session G: Systematic reviews 1</b> Cochrane and MAGIC partnership: Results from musculoskeletal pilot project on arthroscopic surgery for degenerative knee disease: <i>Denise O'Connor</i> A series of Nutritional Recommendations and accessible Evidence summaries Composed of Systematic reviews (NutriRECS): <i>Bradley Johnston</i> Rating the applicability of randomized and non-randomized studies in systematic reviews on the effects of interventions: <i>Tahira Devji</i></p>
04:30 pm – 06:00 pm	<p><b>Oral session H: Benefits vs harms</b> Benefits and Harms: interpreting adverse events in a clinical evidence review: <i>Kate Kelley</i> Quantitative benefit harm assessment of blood pressure targets in older people with hypertension and multiple chronic conditions: <i>Helene Aschmann</i> NICE guidelines: measuring the environmental impact: <i>Leighton Coombs</i></p>
06:00 pm – 07:00 pm	<p><b>Fringe Meetings</b></p>
	Multimorbidity Working Group
	G-I-N North America Regional Community
	Implementation Working Group
	G-I-N Public Working Group
	TBC

Thursday 13<sup>th</sup> September

07:00 am – 05:30 pm	<b>Registration</b>
07:30 am – 04:00 pm	<b>Exhibition &amp; Posters</b>
07:30 am – 08:25 am	<b>Fringe Meeting - Membership Sub-Committee meeting (registration required)</b> An open session for recruitment and retention strategies - an opportunity to learn about and join the G-I-N Membership Committee
08:30 am – 10:00 am	<b>Plenary Session 2 - Mind the gap: Developing recommendations with alternative forms of evidence</b> Chaired by John Kinsella & Sue Huckson  Using real-world evidence: <i>Prof Julian Elliott</i> Using formal consensus methodology: <i>Prof Andrew Hutchings</i> Risks of relying on expert opinion: <i>Dr Eve Kerr</i>
10:00 am – 10:30 am	<b>Morning Refreshment Break</b>
10:30 am – 12:00 pm	<b>Workshop 3a (advanced booking)</b> Reducing bias in guideline development - managing conflicts of interests: <i>Justine Karpusheff</i>
10:30 am – 12:00 pm	<b>Workshop 3b (advanced booking)</b> GINtech – Sharing of data within the evidence ecosystem: <i>Brian Alper</i>
10:30 am – 12:00 pm	<b>Panel Session 3</b> Guidelines and value interventions: insights and system learning: <i>Paul Chrisp</i>
10:30 am – 12:00 pm	<b>Oral session I: PROMS and outcomes</b> Patient Reported Outcomes Monitoring to assess long term outcomes in line with national guidance: <i>Gunveer Plahe</i> The use of core outcome sets to inform guideline development: <i>Elizabeth Gargon</i> Interpretation of patient reported outcome measures: An inventory of over 3,000 minimally important difference estimates and an assessment of their credibility: <i>Alonso Carrasco-Labra</i>
10:30 am – 12:00 pm	<b>Oral session J: Updating guidelines</b> Refreshing guidelines: changing guideline recommendations outside of an update process: <i>Emma McFarlane</i> Guideline profiling: Are there any associations between guideline characteristics and a decision to update? <i>Omar Moreea</i> The scoping of updated guidelines: NICE's experience of translating a surveillance decision into a final scope: <i>Katrina Penman</i>
10:30 am – 12:00 pm	<b>Oral session K: Patient and public engagement</b> Including the patient/public perspective: What is working and what is not? <i>Lisa Haskell</i> The INVOLVED Study: Investigating Lay members' Views in Guideline Development: <i>Alice Mary-Biggane</i> Engaging Patients and Caregivers Managing Rare Diseases to Improve the Methods of Clinical Guideline Development: <i>Dmitry Khodyakov</i>

10:30 am – 12:00 pm	<p><b>Oral session L: Adapting guidelines</b> Facilitating formal decision-making when following the ADAPTE framework: A modified-Delphi approach to classify risk in pregnancy: <i>Barrie Tyner</i> Developing Registry-Enabled Quality Measures from Guidelines for Cerumen Impaction and Allergic Rhinitis using a Transparent and Systematic Process: <i>Jeremy Michel</i> Defining thresholds for normality in a NICE clinical guideline context: approaches and applicability: <i>Eva Gonzalez-Viana</i></p>
12:00 pm – 02:00 pm	<b>Lunch Break</b>
12:00 pm – 12:55 pm	<b>Fringe Meetings</b>
	G-I-N Arab Regional Community
	LMIC Working Group
	G-I-N Africa Regional Community
	G-I-N Tech Working Group
12:00 pm – 01:55 pm	<p><b>Fringe Meeting</b> CoCoCare training and the G-I-N symposium session</p>
01:00 pm – 01:55 pm	<b>Fringe Meetings</b>
	Performance Measures Working Group
	Allied Health Working Group (TBC)
	G-I-N ANZ Regional Community
	G-I-N Tech Working Group
02:00 pm – 03:30 pm	<p><b>Plenary Session 3 - Beyond guidelines: where does patient choice fit in?</b> Chaired by Dr Hector Pardo Hernandez &amp; Dr Stephanie Chang  How do you reconcile strong recommendations with patient choice and shared decision making? <i>Dr Gregor Smith</i> Automated decision aids from guidelines: <i>Prof Thomas Agoritsas</i> Fully informed decision making: patient access to their health care data: <i>Prof Catherine DesRoches</i></p>
03:30 pm – 04:00 pm	<b>Afternoon Refreshment Break</b>
04:00 pm – 05:30 pm	<p><b>Workshop 4a (advanced booking)</b> An introduction to network meta-analysis for decision making: <i>Sofia Dias</i></p>
04:00 pm – 05:30 pm	<b>Workshop 4b (TBC)</b>
04:00 pm – 05:30 pm	<p><b>Panel Session 4</b> G-I-N Low and Middle-Income Countries (LMIC) Working Group: What we do, Why we do, and How we do it? <i>Joseph L. Mathew</i></p>
04:00 pm – 05:30 pm	<p><b>Oral session M: Decision aids</b> Implementing a mammography decision aid for women ages 40-49 in a primary care setting: A pilot study: <i>Elizabeth Liles</i> Dissemination of Guideline-Based Clinical Decision Support through an Innovative Online Clinical Decision Support Repository: <i>Jeremy Michel</i> iDeAsTM: creating guideline-based interactive patient decision aids to provide tailored recommendations: <i>Holger Schunemann</i></p>

04:00 pm – 05:30 pm	<p><b>Oral session N: Developing guidelines</b> Directing the update of sedation guidance through effective scoping: <i>Douglas Stirling</i> Developing recommendations for conditions with multiple treatment options: a case study: <i>Veronica Colpani</i> Closing the knowledge cycle: Development of a National Research Agenda based on knowledge gaps derived from Dutch general practice guidelines: <i>Jolanda Wittenberg</i></p>
04:00 pm – 05:30 pm	<p><b>Oral session P: Searching</b> Which databases should be used to identify studies for systematic reviews of economic evaluations? <i>Hannah Wood</i> Performance of Ovid MEDLINE search filters to identify health state utility studies: <i>Hannah Wood</i> Search Strategies of Studies on the Quality Assessment of Guidelines: A Cross-Sectional Study: <i>Qi Zhou</i></p>
04:00 pm – 05:30 pm	<p><b>Oral session T: Trustworthy guidelines</b> Developing clinical practice guidelines that combine efficiency and rigorous methodology: a new approach by the European Respiratory Society: <i>Thomy Tonia</i> Consistency of Recommendations Across Guidelines (CRAG) for Hypertension: <i>Brian Alper</i> Trustworthy guidelines in the National Guideline Clearinghouse: The Institute of Medicine's hope realised? <i>Sarah Cunningham</i></p>
07:00 pm – 00:00 am	<p><b>Gala Dinner</b> The gala dinner will be held in the Principal hotel's elegant ballroom. The ballroom offers a wonderful sense of occasion on a grand scale. Enjoy a classic British sit-down meal followed by entertainment, music and dancing.</p>

**Friday 14<sup>th</sup> September**

07:30 am – 12:30 pm	<b>Registration</b>
07:30 am – 12:30 pm	<b>Posters</b>
08:30 am – 10:00 am	<p><b>Workshop 5a (advanced booking)</b> Systematic construction of indicators to evaluate implementation of clinical practice guidelines: <i>Agne Ulyte</i></p>
08:30 am – 10:00 am	<b>Workshop 5b (TBC)</b>
08:30 am – 10:00 am	<p><b>Special Session Q: How can HTA communities work with guideline developers more efficiently for mutual benefit?</b> HTA, a siloed community ready to join the Evidence Ecosystem: <i>Stijn van de Velde</i> HTA and collaborative efforts to influence the development and use of core outcome sets: <i>Sean Tunis</i> Sharing HTA evidence and innovations across the world to reduce duplication: <i>Tammy Clifford</i></p>

08:30 am – 10:00 am	<p><b>Oral session O: Novel approaches to involving people</b> An innovative approach to including the voice of children and young people in guidelines – an evaluation: <i>Jess Fielding</i> Capturing patient experiences from online health communities to inform guidance production: <i>Rameez Rahman</i> Using social media to support uptake, implementation and evaluation of NICE guidance: <i>Amy Thomas</i></p>
08:30 am – 10:00 am	<p><b>Oral session R: Guidelines into practice</b> Knowledge translation interventions for the implementation of guidelines: A targeted review: <i>Karen Spithoff</i> De-implementation of low-value care practices based on guideline recommendations: <i>Alke Nijboer</i> Assessment of the quality, credibility and implementability of 161 Clinical Practice Guidelines using the AGREE-REX instrument: <i>Ivan D. Florez</i></p>
08:30 am – 10:00 am	<p><b>Oral session S: Systematic Reviews 2</b> Increasing value and reducing research waste in systematic reviews to inform guideline development: <i>Wojtek Wiechoch</i> Rapid systematic reviews to inform recommendations in National Clinical Guidelines: the Norwegian experience: <i>Caroline Hodt-Billington</i> Adults' perspective about meat consumption: a mixed methods systematic review for trustworthy guideline recommendations: <i>Claudia Valli</i></p>
10:00 am – 10:30 am	<p><b>Morning Refreshment Break</b></p>
10:30 am – 12:00 pm	<p><b>Plenary Panel 4: Guidelines into practice – award for the best implementation submission</b> Chaired by Professor Anna Gagliardi &amp; Professor Gillian Leng</p> <p>This plenary will see three abstract authors presenting their real-world examples of implementing a guideline in their region:</p> <p>Training in Practice intervention to Target Antibiotic Prescribing: A Feasibility Study: United Kingdom: <i>Linda Young</i> Guidelines to practice - implementing patient-centred processes for stroke rehabilitation: <i>Susan Hillier</i> Improving quality of life in patients with lower limb Osteoarthritis (OA): <i>Emma Busby</i></p> <p>After exploring the challenges and barriers each author faced, delegates will have the opportunity to take part in an interactive Q&amp;A session followed by a vote which will see the most impressive implementation example awarded with a prize.</p>
12:00 pm – 12:30 pm	<p><b>Closing Session</b> Closing address from G-I-N and local hosts from G-I-N conference 2019</p>

# WHY WE DO WHAT WE DO

THE PURPOSE AND IMPACT OF GUIDELINES

## 11 – 14 SEPTEMBER 2018

LOCAL HOSTS

**NICE** National Institute for  
Health and Care Excellence
