

Westin Harbour Castle Hotel Toronto

The Conference Secretariat ([International Conference Services Ltd.](#)) is the official housing bureau for the GIN 2022 and will offer assistance with the coordination of housing requirements for the Conference. Special rates and added complimentary amenities will only be available to delegates who book through the official housing bureau. Although the associations and the housing bureau will do their due diligence and negotiate the lowest possible group rates, we cannot predict future offers made by competing hotels. However, we urge all sponsors, exhibitors, and delegates to support the Conference and book through the official housing bureau. The success of the Conference and the supporting associations depends on you using the contracted hotels.

GIN 2022 cannot meet the contracted room obligations if sponsors, exhibitors, and delegates book outside the official housing bureau. Rooms that are not filled because of that create an expense for the Association in form of financial penalties (attrition charges) and place the financial success of the Conference at risk, which increases with each delegate, exhibitor, and sponsor not booking through the official housing bureau.

Accommodations may now be booked through the link available on your Registration Confirmation email.
