

ONLY 9 DAYS LEFT TO REGISTER FOR EARLY BIRD DISCOUNT!

Register for GIN 2022 by **June 22, 2022, at 23:59 pm EST** and take advantage of the discounted rates to get the most from your conference experience.

To qualify for a member discount, you must be a fully paid-up member of GIN as of **30/4/22**. To be eligible for the student rates, you must be a current student enrolled on a full-time basis. Evidence of your current enrolment status must be uploaded at time of registration (copy of student ID, employee identification).

REGISTER HERE TODAY

TRAVELLING AND ACCOMMODATION

GIN 2022 is being hosted by McMaster University and will be held at our partner hotel The Westin Harbour Castle located directly on the shores of Lake Ontario.

Book your room to guarantee your accommodation at a highly discounted price as the number of guest rooms is limited.

The health and safety of our GIN 2022 attendees is our priority, and we are dedicated to providing a safe environment for everyone during the live conference days.

Please visit our <u>website</u> where you will find more info regarding onsite health and safety measures in place, as well as useful info on travel and visa requirements to Canada (as mandated by the Government of Canada), and Air Canada's discount for GIN 2022 delegates. Check out some of these links below:

- To find out if you need a visa to travel to Canada, please click on <u>Visa to travel to Canada</u>
- COVID-19: Current border measures and requirements (cbsa-asfc.gc.ca)
- For Electronic Travel Authorization (eTA), click on Electronic Travel Authorization (eTA)

CONFERENCE PROGRAM

Our 2022 Scientific Committee will deliver a diverse and comprehensive conference program that will provide you with all the latest information in Guideline development and implementation in line with our theme of "Making Health Choices Transparent, Equitable and Efficient"

There really is an extremely broad range of topics up for discussion.

(Program at a Glance - Subject to change - Full program will be published on the website soon)

BOOK YOUR PRE-CONFERENCE COURSE TODAY!

Our courses will be held on September 21 and can also be booked as standalone events if you aren't attending the conference.

Click on "REGISTER HERE" below to book the course of your choice and to book your place at the conference taking place in Toronto from 21 to 24 September 2022.

REGISTER HERE

For more information about the pre-conference course themes, facilitators and rates, please check our website at GIN 2022.

MEET OUR PLENARY SPEAKERS

We are thrilled to have, among our experienced speakers, **Marge Reinap**, who is leading the work on Evidence for Policy Development under the Division of Country Health Policies and Programs at the <u>WHO</u> Regional Office for Europe since 2022 and **Nicola Magrini**, a medical doctor with a specialty in Clinical Pharmacology and who is currently the Director General of <u>AIFA - the Italian Medicines Agency</u>.

You can read more about them and all our other speakers and their accomplishments HERE.
