

GIN 2023 Hybrid Conference

GIN's 18th annual conference - GIN 2023 - is gearing up for the exciting hybrid event taking place at the [Technology and Innovation Centre](#) in Glasgow from 19th - 22nd September 2023.

Following on from our initial GIN 2023 hybrid conference launch communication on 17th January, we invite you to submit your abstract before the deadline of **4th April 2023**. Showcase your research and share your knowledge and expertise under the main conference theme: "Maintaining quality while pursuing efficiency". Don't miss out on actively participating at GIN 2023 to help advance the continuous learning and development of guidelines at global level, aiming to reduce duplication of effort across the guideline world.

Sponsorship

We are excited to announce that our GIN 2023 hybrid conference sponsorship brochure is now available!

The GIN conference provides an excellent opportunity for sponsors and exhibitors to promote their organisation to a keenly interested, relevant and above all, influential audience in an environment away from everyday distractions. Our sponsorship packages have been re-designed and adapted to the hybrid environment offering a mix of benefits, including extended exposure of your brand to delegates.
