

## GIN 2023 Hybrid Conference

It's just under 3 months until GIN's 18th annual conference takes place at Strathclyde University's purpose built [Technology and Innovation Centre](#) in the heart of Glasgow from 19th - 22nd September 2023. We are looking forward to an interactive, engaging and educational conference with both in-person and online delegates.

**In this month's issue of our conference e-zine, find out more about...**

## Program Overview

Abstract acceptances were issued on 6th June and the Scientific Committee are busy allocating presentation slots in the program. The full program will be available shortly and speakers will be notified in advance of the session date and time for their presentations. In the meantime, we are pleased to announce the program overview. Details and timings are subject to minor changes.
