

## GIN 2023 Hybrid Conference

GIN's 18th annual conference is taking place next month at Strathclyde University's purpose built [Technology and Innovation Centre](#) in the heart of Glasgow.

We are looking forward to welcoming delegates both to Glasgow and online!

In this month's issue of our conference e-zine, find out more about...

- **Conference Program**
- **Conference App**
- **Virtual Conference Portal**
- **Conference Registration**
- **Things to do in Glasgow and Scotland**
- **Pre-Conference Courses**

## Conference Program

The full conference program is now available online!

- 18 plenary speakers across 6 plenary sessions
- 262 abstracts will be presented (177 Oral Presentations, 67 Poster Presentations, 2 Panel Sessions and 16 Workshops)
- 7 Fundamentals sessions – learn from the experts in the guidelines' world!

You can view speaker information and abstracts and start to plan which sessions you would like to attend. The programme is colour coded by session type and you can filter this at the top of the programme. Click on the Speakers tab if you would like to search for a specific speaker.

## Conference App

Engage with the conference and find all the info you need via the GIN 2023 Conference App!

- Plan your days with your **personalised agenda**
- See **full details of the program** including abstracts and speaker information
- Visit the **poster gallery**
- Pose questions to the speakers via **live Q&A** and join in discussions with your colleagues in the **discussion forum**
- Take **notes** on sessions and email them yourself
- Give feedback on sessions by completing short **Session Surveys**
- Connect with both in-person and online delegates via the **Meeting Hub**
- Take part in **Gamification** and post on the **event stream**
- Find further information on our **sponsors and exhibitors**

Further details on how to download and log in to the conference app will be sent to all registered delegates two weeks prior to the conference.

---

## Virtual Conference Portal

For those joining us online, all of the same features in the Conference App will be available in the Virtual Conference Portal.

Online delegates will join and view the sessions via the Virtual Conference Portal and can engage via the **Live Q&A** and **Discussion Forum**.

Further details on how to log in to the Virtual Conference Portal will be sent to all registered delegates two weeks prior to the conference. In-person delegates will also receive a log in.

---

## Still Time to Register!

We've almost reached 400 registrations! Registration is still open with both in-person and online options available. If you haven't registered yet, there is still time to book you place!

### LMIC/Students/Patients

Online - £409

Standard - £478

[Pre-Conference Courses](#)

There are places available on our pre-conference courses, taking place on Tuesday 19th September.

- Assessing the quality of clinical practice guidelines: Overview of AGREE tools and AGREE II tool training.
- Using technology to efficiently update and adapt guidelines.
- Living guidelines crash course: “From inception to publication.”
- Involving patients and consumers in guidelines: a workshop of GIN PUBLIC.

## INGUIDE Courses

As well as offering the above pre-conferences we are pleased to have INGUIDE join us again at GIN 2023, providing their Level 2, 3 and 4 courses.

The INGUIDE in-person course offers an unparalleled opportunity for learners to network with like-minded professionals, build new relationships, and explore potential collaborations. The in-person course not only provides exceptional learning opportunities but also offers ample networking time during breaks. You'll have the chance to connect with experts in your field, ask questions, receive immediate feedback, and get a deep understanding of the material being presented. Plus, learners will have exclusive access to the INGUIDE instructors, allowing for personalized learning and mentorship opportunities.

## Welcome to Glasgow, Scotland

Glasgow is a vibrant and compact city with plenty to offer delegates outside of conference sessions. The city has a range of cultural attractions including many museums and art galleries offering free entry, such as the stunning Kelvingrove Art Gallery and Museum and the award-winning Riverside Museum. Visitors can explore the works of artist and architect Charles Rennie Mackintosh, walk the city centre Art Mural Trail or take a stroll through one of the many parks and green spaces.

The food and drink scene offers something for everyone, from traditional whisky pubs to fine dining, in a variety of lively neighbourhoods including Finnieston (SEC), the City Centre, the West End and Merchant City.

Delegates can look forward to a warm welcome in a city voted 'world's friendliest city' by Rough Guides. If you're extending your stay, Glasgow has excellent travel connections for exploring Scotland and an exciting selection of year-round tours leaving daily for the Scottish Highlands.
