

Welcome to the GIN 2025 Conference

GIN is delighted to invite you to join us for our 19th annual conference, an opportunity for our members and colleagues across the guideline world to network, connect and collaborate.

Our 2025 event will take place from 16th - 19th September in Geneva, Switzerland and we are excited to bring you a comprehensive, relevant and on-topic program delivered by many esteemed speakers and experts.

We appreciate the importance of the networking opportunities that our conference brings, while recognising the difficult choices that our delegates have to make, including budget impact, time away from work/home, as well as environmental considerations. We have put a lot of thought in to this and aim to provide an in-depth program while still providing those all important networking opportunities.

The conference will be held in the Palexpo Convention Centre, a short walk from the arrival gates at Geneva airport.

Our conference and scientific committees continue to work hard behind the scenes to deliver an exciting opportunity for delegates who work within the guideline world to come together to discuss, debate and learn about guideline methodology.

The theme for 2025 is “Innovation and partnerships for health in all policies”, and will explore a range of topics relevant to the world of guidelines.

Registration now open

We are pleased to announce that registration has opened early! This is designed, although not restricted, to support those who may need to apply for a visa. Should you need a visa to travel to the conference, please note that you can request a visa support letter as part of your registration. Registering early also allows you to take advantage of our Early Bird prices.

GIN 2025 Conference	16th - 19th September 2025

Partners & Exhibitors

The GIN conference provides an excellent opportunity for partners and exhibitors to promote their organisation to a keenly interested, relevant and above all, influential audience in an educational environment away from everyday distractions.

Our Partnership & Exhibition Prospectus will be available very soon on the [conference website](#).

We are all extremely excited to be back in 2025 and are looking forward to reconnecting with you all soon!

In the meantime, if you have any questions at all please contact Vanessa Gruber, our Communications & Conference Project Manager, at comms@g-i-n.net.
