

GIN 2025 Conference

The Guidelines International Network Conference 2025 will take place from 16th - 19th September in Geneva, Switzerland and is an exciting opportunity for delegates who work within the guideline world to come together to discuss, debate and learn about guideline methodology.

GIN 2025 will be held as an in-person conference at the Palexpo Convention Centre, a short walk from the arrival gates at Geneva airport. There is also an option to register as an online attendee which offers access to all plenary sessions and all sessions held in the plenary room.

Don't miss out on participating at GIN 2025 to help advance the continuous learning and development of guidelines at a global level, aiming to reduce duplication of effort across the guideline world.

In this month's issue of the conference e-zine, find out more about...

- **Abstract Submission**
- **Conference Registration**
- **Pre-Conference INGUIDE Courses**
- **Key Dates**

Palexpo Convention Centre

Abstract Submission Open

We are pleased to announce that the call for abstracts is open from Monday 2nd December 2024 until Sunday 23rd February 2025.

The theme for the 2025 Conference is **Innovations & Partnerships for Health in All Policies** and abstracts that align with one of the following sub-themes are invited:

1. **Going beyond Health: Building Partnerships and Strengthening Collaboration for Health In All Policies**
2. **Harnessing Artificial Intelligence, Technology and Digital Innovations in Guideline Development and Implementation**
3. **Innovative approaches to develop and scale up guidelines for better Planetary Health**
4. **Building Trust in Science and Transforming Health Systems through Guidelines**
5. **A Unified Framework for Health Decision-Making and Informing Research**

You will have the option to choose between a Long Oral, Short Oral, Poster, Panel Session or Workshop. Showcase your research and share your knowledge and expertise!

Ensure you review the **Abstract Submission Guidelines** and **Submit your Abstract** before 23rd February!

Conference Registration

Conference registration opened early to support those who may need to apply for a visa. Should you need a visa to travel to the conference, please note that you can request a visa support letter as part of your registration. Registering early also allows you to take advantage of our Early Bird prices. The Early Bird Deadline is 17th June 2025.

We will be incorporating a Conference App for in-person attendees and a Virtual Conference Platform for online attendees. The App and Virtual Platform are connected which will ensure that we have networking, engagement and knowledge sharing across both audiences.

INGUIDE Pre-Conference Courses

INGUIDE pre-conference courses will run for half a day on Monday 15th September and a full day on Tuesday 16th September, prior to the GIN 2025 Conference.

The INGUIDE in-person course offers an unparalleled opportunity for learners to network with like-minded professionals, build new relationships, and explore potential collaborations. The in-person course not only provides exceptional learning opportunities but also offers ample networking time during breaks. You'll have the chance to connect with experts in your field, ask questions, receive immediate feedback, and get a deep understanding of the material being presented. Plus, learners will have exclusive access to the INGUIDE instructors, allowing for personalized learning and mentorship opportunities. Breakfast and lunch will be served!

- Course 1: Certified Guideline Panel Member + Adolopment add on module
- Course 2: Certified Guideline Methodologist
- Course 3: Certified Lead Guideline Developer and Chair
- Course 4: Certified INGUIDE Training Instructor

If you would like to join the waiting list for one of the courses, please register your interest below.
